Effectiveness:

Give a brief description of evidence you have that demonstrates effectiveness of your program/services. (This will be shared with parents).

Catapult Online has successfully provided after-school tutoring to more than 10,000 students nationwide. Students

average one full grade level of growth during our programs. Additionally, our student attendance rate average is over

85% - well above the Supplemental Services average of 65%. When students complete the program they earn the

right to keep the computer - extending the learning opportunities beyond the tutoring program.
